I grew up with Marci, she was always so sweet and fun to be around.
My heart goes out to her family. Even though I have not seen her since high school I remember her well.

Marci was always such a amazing grandma to my girls. Every time we would go see her she made it fun. I will miss her great personality and funny sense of humor. I love how she always made me feel welcome. She was such a great example to all! I'm so happy I got to have her in my life. Im so grateful she was my girls grandma. We could not of ask for a better grandma for them. I will always remember the day we came to visit and she had gotten a pool for the kids, we all climbed in to cool off. Marci thanks for being so sweet to me. I will always love you more than you will know. I wish I could find our other photos with her.
I'm happy she is no longer in pain. My prayers are going out to all of her family and friends during this hard time.
