

David Mikel Cvitkovich

August 7, 1969 - March 25, 2020

David Mikel Cvitkovich walked with Jesus on March 25, 2020 from Lewy Body Dementia. He was born on August 7, 1969 in Salt Lake City, UT. He was a Master Plumber for over 30 years and was proud to own his own business PlumbWorks Inc for a majority of those years.

Dave was raised in West Jordan Utah and went to West Jordan High where he made lifelong friends that he considered brothers. His passion was his dirt bike, he loved all things Moto and Supercross. He was a diehard Dallas Cowboys fan. His wardrobe was made up of Fox gear, Dallas Cowboys, Teva's and Oakleys. He loved the outdoors anywhere in the mountains, next to a camp fire with his whole family and bow hunting with his Dad and brothers. Country music was his love language and he would mouth every song old and new.

He was a proud Daddy to 4 beautiful daughters Alex Hughes, Jaidan-Starr, Abbey-Rose and Montana-Skye. The love of his life was Shenandoah Fox who he later divorced. Survived by his parents, Norm & Linda Merrill and Larry & Judy Cvitkovich. He was loved by his many siblings Amy (Floyd) Bagley, Chad (Donna) Merrill, Lee (Melanie) Merrill, Cheryl (Bob) Brookins, Becky Romero, Pat Whetzel, Ryan Whetzel, Ron Whetzel and Brenda Whetzel. He loved being Uncle Dave to 17 nieces and 12 nephews.

He was lovingly cared for by his parents Norm and Linda for the last couple years testing their patience and making them laugh every day, a time they will always cherish.

We want to express our gratitude to St. George Regional hospital for the tender care and compassion they showed him in his last days along with Dr Kutcher and Stephen Larson. We will be having a celebration of Dave's life at a later time and will post it on Facebook. Should friends desire and in lieu of flowers contributions may be made via Venmo at Amy-Bagley-5 to help with his services and for his children.

“ David is my little cousin only by a few months but he still said I was older lol. I would spend my summers with my auntie linda and my uncle norm, amy, Chad, and David and I am so happy for those days. Nothing but fun in the sun, and of course bickering that only ended up with everyone hugging it out because that's what family does. David had a way about him that always calmed me down, I never heard him yell, at me, amy and Chad may have a different story about that, but for me he was an absolute sweetie who will always be in my heart. I love you Dave you were so loved and always will be. Love forever your old cousin shellye.

“ The Rat was a legendary 88, that dude could rock teva's with socks and always look smooth. Dave and I met back as Shamrocks and as we get older you forget many of the times you shared, but any time anyone who was in the circle of trust hears the name "Rat" they instantly smile or laugh and that is something that is hard to find. The dude will be missed.

“ I remember David and my son Troy playing at your house. The game was see who could kick the football over the roof. We received a message that Troys didn't quite make it. The football went in through the window to your bedroom. We love David. Kathy and Brent

“ Dave and I spent a lot of time riding and racing. Many of my greatest memories are of us spending the day at the track doing something we both loved. I miss those days with Dave. And even though he always seemed to get the best of me on the track, it was never about who won, but just being there for the ride with one of your best friends.

You rode a great race Dave. I'm going to miss you.

“ I remember all the good times we spent in the mountains with David and Pete. We laughed so hard so many times especially the time they got chased by a skunk. We had some really good times in the mountains and the boys always found something exciting to do. I will always remember David that way and I hope is riding a 4 Wheeler somewhere up there in the clouds...
