MAXine was born December 29, 1917, in Provo, Utah and she lived in Utah and Idaho. She graduated from East High School in SLC. Aunt MAX, Mom, GG, was an amazing influence. She was always positive and a beacon of light. She touched many hearts and delighted multitudes with her legendary stories. She was an incredible lady with an abundance of talent, personality, love and light, a great sense of humor, and always ready for an adventure. She met her husband, Grover R. “ I'm sorry to hear of your mother's passing. When my little family moved to Great Falls with the Air Force in 1973, my husband's mother said to look up Grover & Max because she was her cousin. We discovered that we lived just around the corner, and your mother took us under her wing and loved us like family. We enjoyed many Sunday dinners together, with my husband playing chess and learning to tie flies with Grove. Your mother invited us to house sit one winter while they wintered in Arizona, I believe. She was a great cook, a wonderful singer, and a good friend. She loved you dearly, and she spoke of you often. I am honored to have had her in my life. We send our love to you at this sad time. Love, Arlo & Debbie Paulsen
