He loved taking his family camping, fishing, hunting and many enjoyable family vacations! He had many skills and talents including being good at almost any sport and learning the carpentry trade so he could build his own homes and help build many for his children and family. He was a hard worker and held two full time jobs for over 30 years---He was the mail carrier in Sugar City and also worked at the State Youth Services Center in St Anthony, Idaho. Even though he worked so hard he found time to be with his family! He was a kind-hearted person, enjoyed people and made friends wherever he went! He liked everyone he met. He honorably served his country in World War II, in the army, for 3 years! Part of that time as a parachute jumper. He was a member of the Church of Jesus Christ of Latter-Day Saints and was a great example of

the teachings of our Savior! Tedd and Bonnie served a mission in England and another one in Mississippi! They have served together many years in the Idaho Falls temple! They have spent many years doing genealogy and have compiled many family history books on their ancestors.
