“ Much condolences to Fran, Mark and Tom. I like to think Tom and I were the closest of friends having stayed in each others homes on a few occasions and having enjoyed a few motorcycle trips together. Tom sure suffered more pain than any man should have been expected to. I am very sorry to see my good friend gone but hope he is now in a place where he is no longer suffering the pain he had been in. Tom will be missed by many. Prayers and love for Fran and the family.
Rest In Peace good friend.
