

## Andrew LeRoy Jacobsen

May 14, 1938 - June 1, 2017

Andrew LeRoy Jacobsen age 79 of Diamond Valley (St George) Utah, passed away on June 1, 2017. LeRoy was born on May 14, 1938 in Provo, Utah to Jar Mar and Dorothy Jacobsen and has one older brother LaMar Jacobsen and a younger sister Nadine Phillips. He was married at a young age to Glenda Wright, they had 4 daughters together and later divorced.

LeRoy was a truck driver, a computer programmer, owned a computer microchip company and a mechanic shop. His love of taking apart and repairing things became legendary and everyone knew that if they needed anything repaired he would fix it for them. LeRoy loved to tease everyone and was constantly making jokes to keep people laughing. LeRoy also loved to sail and spent many wonderful days on the water enjoying the outdoors. His adventurous spirit constantly had him traveling down any dirt road he could find, he has traveled down most roads in Utah just to see where the road went.

In 1996 LeRoy married Angela Sulik (his soul mate). Together they celebrated life and the love that they have for each other. He was always doing things to make her smile and bringing joy to her life, once he could no longer take care of himself she lovingly took care of his every need. LeRoy's best friend and companion is a very smart Border Collie named Flash who worked very hard to keep LeRoy active and smiling.

LeRoy is survived by his wife, brother, sister, 3 daughters Cheryl Draney of Preston Idaho, Carmen (Carl) Richins of Lehi Utah and Michael Ann (Stan) Jacobsen of Pleasant Grove, Utah, 12 Grandkids and 28 Great Grandkids. He was preceded in death by his parents, daughter Lynda Jacobsen and son in law Casey Draney.
