

## Angela Noreen Mason

November 15, 1955 - January 28, 2025

With heavy hearts we announce the passing of Angela “Angie” Noreen Mason, who left us unexpectedly on January, 28, 2025, at the age of 69. Angie was born on November 15, 1955, as she loved to say “111-555” to the late Thomas E. and Theresa M. Buck in Rome, New York.

Angie moved west to Los Angeles where she worked for many unusual companies, Iworks Entertainment, and The Los Angeles Country Club, where she organized events for high profile clients. She later moved to Southern Utah where she worked as the Events Coordinator for the City of St. George for 27 years. Her dedication to the arts community, and organization of local events was admired by many.

Angie’s love for her family was always felt. She is survived by her sister Kathy Kelley, two brothers Bob Buck, and John Buck, her loving children Michael Mason, Taylor (Kyllynn) Iverson. Some of Angie’s greatest joy came from her four incredibly precious and delightful grandchildren.

Those who knew Angie will remember her energy, warm smile, beautiful heart, and her love for life. She will be forever missed and never forgotten. Although Angie’s physical presence may no longer grace our lives, her spirit will continue to inspire and uplift us.

A celebration of life honoring Angie, will be held on Monday, February 3, 2025, at 6:30pm at The Social Hall, 212 N. Main St, St. George, Utah 84770.

Family and friends are invited to share tributes online at [www.serenityStG.com](http://www.serenityStG.com). Arrangements and memorial tree planting under the direction of Serenity Funeral Home of Southern Utah, (435) 986-9100.

“ I just found out this beautiful amazing full of energy lady passed away last month which was a shock because she was so full of life. Whenever I would see her she always was so sweet and friendly. Our daughters hung out when they were little and then she worked for St. George City so I got to see her on occasion and always loved running into her. The world is missing a beautiful person but heaven gained a beautiful angel.

“ A few months after my husband & I moved to St. George in 2014, I was appointed to the SG Arts Commission...& immediately had the great fortune to connect with Angie. Her kindness, warmth, willingness to drop everything to find answers and/or help out, were just a joy to behold, & definitely made the transition to a new community so much easier. It was stunning to hear that she's no longer with us...but fond memories of her will remain in our hearts forever. Rest easy, sweet friend; you'll be greatly missed.

*Tonight I returned home from Angie's celebration of life. It was nice to see all of the beautiful photos of her life and her beautiful family, along with her many achievements. My family and I have known Angie for many years, so I feel it my duty and honor to share some memories and pay my respects to her.*

*The very first thing that comes to mind is the pure loving intent that Angie shared with everyone. She would instantly greet you with the most genuine smile that reflected her happy, loving, caring and compassionate nature. She was so fun to be around! She loved to chat and have good conversation. I miss the times when our families would get together to hang out and play games until late at night. She loved playing with all the kids, feeding them and teaching them good manners. She would worry if someone was sick, and would go out of her way to make sure that everyone was comfortable and taken care of. She would cook amazing meals with all the good fixins! One time I was excited to return the favor when I had brought some ribeye steaks over, but I ended up overcooking them on the bbq and felt so bad because I just wanted to return the level of service!! I am grateful for all the good times and memories, and especially the Christ like love that she shared with me and all who knew her.*

*May you rest in peace Angie. Thank you for all the love and kindness that you shared with us! You will always be remembered as the sweet and loving person that you are. Good job living such an amazing and admirable life! You made this world brighter while you were here. You are loved by many and you will be missed dearly.*
