Sara, what a beautiful tribute to Annette. For someone who just met your mother and father about 6 years ago, it was so very touching to see all the family photos. Your mother was so brave and I miss her. Thank you.

“ I met Annette at the VA home where my mother, Alice, resides. Annette arrived in poor shape, but I saw her overcome many challenges in a short time with the help of a super devoted loving husband and the staff at the VA. She went from not communicating to a real firecracker. I could tell she had a zest for life and I really thought she was going home with Bob. I was so sad when I heard the news of her passing. My condolences to Bob, her children and grandchildren. I know she was loved and will be missed! Diane Evans

“ Annette, I didn't know you personally all that well, but we certainly got to know your daughter Sara! You and your husband did a great job raising those children. You will be missed! From Sara's friends in Phoenix.

“ Annette was your best friend and partner. You guys always seemed to be together and so happy. We miss our loved ones when they leave but you have many happy memories to keep her memory alive in your heart and in your spirit. Remember friends at this time to help. Continue to golf and do things you two did together as that would make her smile down at you from above. My thoughts and prayers are with you all. Vicki

“ We are so glad to have had the opportunity to get to know Annette. Annette and Bob were one the first couples we met when visiting SunRiver. Both made total strangers feel like long time neighbors. Annette was always so positive, so uplifting and engaging. Her presence was as infectious as her smile; she will be missed. Our heartfelt thoughts go out to the Cornett family at this difficult time.

My friend Annette! I met her when she and Bob built their house down the street from us in Heath Texas on the Buffalo Creek Golf Course! She was so friendly and had such a nice) smile! We got yo know each other well even though I didn't play golf! Eventually we formed a lunch group from our neighborhood and met once a month and we called ourselves The Buffalo Girls! Annette and I went in shopping side trips and she was the best bargain hunter around! She was such a giving person and she gave our dog her first gift! She was always making things things for her family! Even now I look out on the golf course and think about Annette and Bob coming down the cart path! I still look for them! I go past their house each day and think of them! She will always have a special place in my heart!

What a lovely remembrance, Becky! I knew Annette from SLC, and after she and Bob moved to TX, we would have a marathon phone call every month. She often mentioned you, and especially talked about your lunches and shopping expeditions and how much she enjoyed them. We will all miss her - she was a very special lady. Paula
