“ I served as a sister missionary in the St George V.C. by the Temple back in 2004... my grandma passed away while I was in the MTC, and when I arrived to the Visitors' Center I found so much love through the missionary couples!! Sister and Elder Reid where one of my favorites, it was like I had more grandparents and they made me feel special and protected. Dear Arlene brought a cake to the V.C. on my birthday, I love her!! Thanks to her family for sharing her (both of them!) with us that mission time, I will never forget them.

“ Auntie Arlene is a very special person in my life. She has always been my spiritual strength and example. She has always encouraged and motivates me to be who I am today. We share a love of writing poems and will always treasure the ones she has sent me. We get that from my grandmas side of the family. I love you auntie and will be dearly missed. Thank your for being the best aunt!!

“ When we first moved into Springfield Estates, Arlene and Earl started delivering lovely baked good and emergency preparedness items. Though we're only a few years younger, we felt like they wanted to take care of us. Even as Arlene was so sick, the last time she brought brownies, she stayed in the car and Earl tottered up the lawn to deliver them. I tried to chastise Arlene for being up baking, but she said, "what else am I gonna do?" We love Arlene and Earl and so appreciate all the care Ricky gave to them. We will miss them.
