Santa Clara, UT - Audrey Oleana Morris Kroll slipped quietly from this earthly world at 1:00 a.m. March 17, 2016, as she slept in her home on Victors Street, Santa Clara. Born in Beaver, UT, Jan. 14, 1925; Audrey was raised primarily in the St. George, Santa Clara area. She married Stanley J. Ranquist in Jan. 1947, separated in 1965, divorced shortly thereafter. Audrey married the love of her life, A. James Kroll, Dec. 16, 1967, and was sealed to him for time and all eternity the same date in 1998, in the St. George Temple. Later she was consistently a member of the Million Dollar Club for Wasatch Front Realtors, and later one of the area's top Commercial Real Estate Agents, and of most importance to her; a wonderful mother to her two daughters.

Another service will be held Thursday March 24, 2016, at 12 noon at Serenity Funeral Home in Draper, UT 12278 S Lone Peak Pkwy. A short graveside service will be held immediately thereafter at Larkin Memorial Gardens where she will be laid to rest next to her beloved "AJ."

Audrey's immediate, nuclear family wishes to extend very special thanks to their large extended family without whom, her final months would have been far more difficult, the Hospice agency who attended to her medical needs; particularly Dr. Joseph Woolley, who understood her wishes so thoroughly and the nurse she was fortunate enough to have attend to her so personally and lovingly, Michelle Johnson RN, and so many others the newspaper would be filled with nothing but names of the loving and kind people in her life.

“ Dear Kroll Family, Renee and Barry,

We send our deepest regrets at the loss of Aunt Audrey. She was so kind to every member of my family. We truly loved her and will remember how sweet she was. I remember going to a Kroll Family Party at her and Uncle Jim's condo in Salt Lake City. They had a pool at the condo and invited all to swim. My kids were young and very active in the pool, so I got after them to tone it down. Aunt Audrey came up to me and told me that the kids were fine and not to worry because she was glad they were having fun. She made me feel like my kids were normal and I was a good mom. I loved that about her. I remember her as one of the famous original Weirdo sisters! In her quiet way she sometimes stole the show! She was always a elite lady in my book!

Lots of Love, Melody and Jeff & family

“ Audrey made our dad happy for so many years. Dad was truly a romantic at heart and he enjoyed so much doting on his lovely wife. Audrey loved to decorate. I remember many parties at their houses where Audrey went all out, decorating with her beautiful plates, silverware, glasses, and linens. She had a talent to make her home both beautiful and yet comfortable. When our families were first joined, I remember seeing Audrey eat huge bowls of ice cream topped with homemade chocolate sauce every day. I remember thinking, "how can someone so small, eat so much ice cream?" She was always a well dressed woman, even when she was outside gardening, she looked immaculate in her all white ensembles. Thank you Renee and Barry for your loving care and devotion to her. She was blessed to have you both. May God bless you and comfort you in the days ahead. Love, Judy
