We love Aunt Bev. She lived just down the street from us a few blocks and we would always see her at Stake functions. She would walk every day and sometimes would come up to our house and bring us an avocado or two. We will miss her. I'm sorry we will not be able to attend on Saturday. We have commitments at another funeral. However, we send our love to all her family. She is a wonderful person and will surely miss her happy smile and countenance.

*Love,
Ken and Carrol Richardson*

I love sister and friend Bev, she was a wonderful woman her heart is white like snow, her smile bring peace and joy to my heart. Her heart feel with unconditional love to all children of God. Staying with her beloved daughter Becky it gave me the chance to know her better, I have learn a lot from her and wanted to be like her she is one of my my great example when it come to kindness.

we shall all accept that our loss will offer us a new understanding. Trust God with all of our thoughts and feelings, even the negative ones. If you are struggling in your faith, cry out to Him. God is big enough we handle our lament. Accept God's leadership and live in the palm of His hand. Accept His peace and comfort and be an instrument of His will. I pray that may her soul rest in eternal peace. Amen.

“ We have been neighbors to Beverly since she moved to St. George. We have witnessed her Christlike attributes in word and deed. She was like an angel to us. We will miss her, but know she is in a happy place with loved ones.

“ I loved Grandma as someone who was always quick to love and serve. She let me live with her and Grandpa for a few months while I was going to college. It was really wonderful to get to know them on a more personal level. I will miss her kindness and smile, but I look forward to seeing her again.

“ I love how Beverly never flinched when our large family with seven squirming children sat next to her in church. She just gave us that beaming smile of hers, and you knew you were loved. That smile is something I will always cherish. She was a light and blessing to all who passed her way.

“ I was so privileged to serve with Beverly in the temple as her Volunteer Coordinator. I LOVED her sweet spirit. She was always so willing to serve and, even in her older years, was so willing to substitute whenever she was asked. Even though she was tiny in size, she was a spiritual giant!! She always had a twinkle in her eyes and was sure to make me smile. The last time I saw her was when she drove across town to mine and Grant's wedding...she DROVE at 94 years old!!! It was so special to have her there. Oh how I love that spunky little lady!! She will certainly be missed but her memory will go on for many years to come!!

May God's choicest blessings of love and peace be with all of you during this time.

I met Beverly 3 years ago - she looks just like my grandmother who passed away 60 years ago. I took a photo of Beverly, but can't add it.
