-BOB JOHNSON-

Our beloved father, husband, brother and friend passed away on December 14th, 2018 after a lengthy battle with prostate and bone cancer.

Bob lived a full life, enjoying his career, his family, his motorcycles, fishing and playing guitar. He was also an accomplished artist. He specially enjoyed his grand-children and volunteering his time at the food bank and homeless shelter at switch point in st. George.

He wishes to tell all the family and friends whom he leaves behind how special those relationships are to him and how much he treasured the times spent together.

Bob is not having a formal funeral services, but he asks you to remember him each in your own way and to keep him in your hearts.

Bob loved his beautiful and caring wife Alicia and asks that you keep her and her family in your prayers.
