January 13, 1961 - December 3, 2025

Brett Allen Bleazard

January 13, 1961 – December 3, 2025

Born on January 13, 1961, in Las Vegas, Nevada, Brett was the son of George Albert Bleazard and Edith Gail Schuenman. On August 27, 1982, he married his sweetheart, Whitney Ann Wasden, and together they shared 43 wonderful years. They were blessed with six sons who became the joy and center of their lives.

At 19, Brett faithfully served a mission for The Church of Jesus Christ of Latter-day Saints in the Florida Tampa and Ft. Lauderdale Mission. His mission years shaped his love for people and deepened his faith. He was true to the Lord and served in many callings throughout his life, which he always enjoyed. He went on to build one of the largest landscape companies in Las Vegas, earning the respect of clients and colleagues alike. Later on, he opened a family run pizza restaurant, cherishing the opportunity to work side-by-side with his boys.

Brett was devoted to his family. As a husband, father, and grandfather, he led

with love, humor, and quiet strength. He had a gift for making others feel seen and valued, and he brought light and warmth wherever he went.

He loved sports throughout his life and enjoyed golfing in his later years. Brett was a dedicated and hardworking provider who always put his family first. Of all his achievements, his greatest pride was his sons, daughters-in-law, and grandchildren, whom he loved deeply.

Brett is survived by his wife, Whitney; his sons Brock (Megan), Dallyn (Brooke), Logan (Danielle), Travis (Sarah), Steven (Fawn), and Spencer (Sarah); 22 grandchildren; his brothers Scott (Debbie) Bleazard, Jeff (Mauri) Bleazard; and his older brother's wife (Robyn Bleazard). He was preceded in death by his parents, his older brother (Steven), a sister-in-law (Holly), and a nephew (Ben).

Those who love him find comfort in knowing that his influence, love, and laughter will continue to bless their lives. His legacy remains in the family he cherished so dearly and the goodness he shared.

“ Whitney and the boys so sorry for your loss. I was Brett's missionary companion in Fort Lauderdale. I could tell story after story about Elder Bleazard. ALL of them included laughter 😊. We went over to a member's home for dinner. During the meal they had green beans. I told Elder Bleazard I hated green beans. He told the member I liked green beans as they were filling my plate. We were in an apartment with 4 other missionaries. Eating breakfast one morning one of the missionaries prepared his breakfast plate with prefectly over easy eggs and toast. While the missionary went to use the bathroom, E.B proceeded to cut up the eggs and toast. Several times while 🦘 tracking When it was my door approach He would grab these lizards 🦘 clamp them to his earlobes, the person would open the door E.B. would jump out of site and proceed to make funny 🤪 comments and jesters at me while I'm laughing uncontrollably. Another time riding bikes down A1A in Fort Pierce, high school just got out and E.B. slammed on his bike brakes and proceeds throwing oranges🍊 and grapefruit at the high school kids. I said what are you doing? He said Elder Featherstone they spit on your leg. I could go on and on. Sorry I lost contact with Brett through the years. Again sorry for your lost.

“ A truly remarkable human. Most fondest memory is hearing him chuckle when one of the boys put dish soap in my drink as a prank. Good times. We all laughed . He is missed. Whitney and boys, I'm sending my love from Missouri. Paula

“ Our deepest sympathies go out to the Bleazards. We were so sorry to hear of the passing of Brett. We loved how much he could tease and joke around with everyone. He always had a smile on his face for everyone. Having him a girls camp will always be a fun memory. Much loves and Aloha to your family.

“ Every memory we have of Brett is with a big smile on his face. He was a happy, contented man because of the deep love he shared with you, Whitney and his beloved sons. We can only imagine how deeply he will be missed by all of you as well as his grandchildren and daughters-in-law. I love to think of him laughing and joking with "his boys" at your pizza restaurant. We will be praying for all of you.

“ *One sweet memory is how comforted Travis always was by his father's blessings. When we went to Sarah's home right after hearing of his death, Sarah was so worried about Travis being far away all alone at Bomb School right now. And Georgie said, "Maybe Grandpa Brett could give him a blessing. I wish he could." And immediately in my heart, I knew he would.*

*Dear Whitney, I send my love & condolences. I am so surprised & saddened to hear this. I wish I could've come to the funeral. My heart goes out to you & your boys/family.  
I will always treasure the time I had with you & Brett in Vegas & St. George. Core memories, for sure! Going to Brianhead, house/babysitting, etc. Brett was a wonderful boss. I ended up working there for a decade! What an amazing job that was for me. All the skills I learned, the people & fun times! Who knew when you got me the job at 16, after quitting mine to go to Trek (your idea!) that it would be such a life changing experience for me! You encouraged me to step into the unknown. What a blessing! I trusted you & it paid off! I literally "grew up" there. Thank you for being such an amazing leader, mentor & friend! I love & appreciate you more than you know! ☐  
May you be comforted & guided by your faith in Jesus Christ now. May you feel His love & peace only He can bring as you mourn, grieve & adjust. He will be with you! You & your family are in my thoughts & prayers. 🙏☐  
I would love to re-connect someday & catch up!*

“ Whitney and family, I am so very truly sorry for your loss. I can honestly say that Brett was one of my best friends after moving down the street from his family when we were in Junior High School. I remember riding bikes around the neighborhood with him. He was the best! The Tuckers and the Bleazards, along with the Parkers did a lot of fun things together when we were growing up, and I have great memories of those times. Wishing your family peace and comfort at this time.
