

Carla Marie Taylor Horn

August 4, 1949 - June 8, 2026

Carla Marie Taylor Horn passed away peacefully on June 8, 2026, in St. George, Utah. She was born on August 4, 1949, in Phoenix, Arizona, to Dewey and Marie Taylor. She married Austin Horn on September 10, 1970, in Phoenix, Arizona, and they were later sealed in the Mesa Arizona Temple.

Carla was the middle child among five sisters, all of whom she loved dearly. In her younger years, she enjoyed swimming and playing softball. She graduated from Camelback High School in 1967 and loved driving her 1967 Ford Mustang.

After high school, Carla worked briefly as a dental assistant and later as a secretary at Westminster College. Her true passion, however, was holistic healing. In 1993, she and her son, Rob, graduated together from Utah College of Massage Therapy. She later taught and traveled throughout the country recruiting for the school. Carla enjoyed a career in massage therapy that spanned more than 30 years, working both in private practice and alongside Dr. Clyde Keller.

Carla and Austin were blessed with five children, and being a mother was the greatest joy of her life. Her family meant everything to her. She faithfully taught her children the values of hard work, service, and faith. Family home evening, family prayer, and scripture study were cherished traditions in her

home. She loved spending time with her children, taking them skiing and swimming, hosting family gatherings, and creating lasting memories together. One of her favorite places was Disneyland, which she enjoyed visiting many times with her children and grandchildren.

Carla was a devoted member of The Church of Jesus Christ of Latter-day Saints and served faithfully in many callings, including Relief Society President and Young Women President. She served with all her heart and was deeply loved by members of her wards.

Carla is survived by her beloved husband, Austin Horn; her five children, Keri (Darren) Dautel, Robert (Michelle) Horn, Jennifer (Richard) Deloney, Becky (Steve) Dougherty, and Jeremy (Molly) Horn; 30 grandchildren; and 16 great-grandchildren. She was preceded in death by her parents, Dewey and Marie Taylor, her grandson, Zachary Dougherty and great-grandson Marshall Anderson

Our family would like to express heartfelt gratitude to the healthcare professionals and dear friends who cared for and loved Carla so generously. We especially thank her devoted husband, Austin, who faithfully remained by her side and lovingly cared for her every need during the past ten years.

“ Carla is a second mother to me. For most of my life we have lived close and the Horn family treated me as their own. She has been an inspiration as she struggled over the past years with health issues, she only showed positivity when we met. God bless her lovingly husband and family who cared for her tirelessly. They provided true Christ like service as they tended to her needs. She will be missed but her love lasts forever.

“ Loving Carla

Seven years ago, Carla welcomed us into her family with open arms and a completely free, unconditional love. Over the past six years, our families truly became one, blending together as we shared the pure joy of motherhood and grandmotherhood side by side. From Easters and Mother's Days to Christmases and Thanksgiving dinners, the holidays we spent together are some of my most cherished memories.

I will never forget the immense love she shared with Lenny and me. When Lenny passed away, the unwavering support that Carla and Austin gave me became a lifeline, and it is a kindness I will carry in my heart forever.

Carla was just so cute, and she was truly a gracious lady in every sense of the word. I will deeply miss her presence, especially the sweet, wonderful notes she always took the time to write for every holiday. She brought so much warmth into our lives, and she will be missed beyond measure.
