

Carletta Kinyon

August 22, 1934 - November 4, 2025

Carletta passed away peacefully just after midnight on November 4th, 2025, surrounded by her loved ones. She spent time living with her daughter in Denver, Colorado, who lovingly cared for her for years. After undergoing two major abdominal surgeries, she moved to St. George, Utah, to be cared for by her son. She spent her final months embraced by love and laughter with family.

Born on August 22nd, 1934, in Terrell, Texas, Carletta grew up with two brothers and cousins by the dozens. Her life of service began when she traveled to Buena Vista as a missionary, where she eventually made her home. There, she built lifelong friendships—especially with the wonderful ladies in the Little Darlings group—and devoted many years to teaching. After retiring, she enjoyed traveling the world and visiting family and friends. Carletta will be remembered for her warmth, joy, and unwavering love for others. She cherished her family above all and shared kindness and laughter with everyone she met.

“ I attend the church that Carletta helped in getting started. There are many memories of our families growing together including the church family. A big part of life has now gone on and will be waiting on the rest of us to come. So grateful you were a part of my life Carletta

“ My Aunt Carletta was a guiding Christian force in my life. She was the first to take me to church, encourage me to go on a mission trip at age 14 to the Navajo Indian reservation, and she came with me to Baton Rouge where I live and minister now as a prayer counselor. I will miss her prayers and wisdom.

Rest in Jesus, Auntie, while in your new assignment. TIL we meet again. . .

“ Amy, Dan, and Family: I so admire the level of care and comfort you all gave to Aunt Carletta as she transitioned home. And the companionship you provided her down through the years. No Mom could ask for better kiddos, she was (and is still) so proud of you all - and rightfully so! We love you dearly and wish we could be with you today! Looking forward to next summer when we gather in Terrell. Lots and lots of love from the Texas family!
