Carole was born on July 18, 1934 to Milan and Laura Casper in Rigby, Idaho. She left this world on August 14, 2024, at the age of 90 in her family home surrounded by her loved ones

In 1976, Carole married the love of her life, Alan Hale Coombs. Their time together, spanning nearly 50 years, was built on a foundation of deep affection, mutual respect, and shared dreams. Together they embarked on an adventure of blending a family of 12 children. Carole was a devoted mother and grandmother to her children and grandchildren, each of whom was a source of immense pride and joy to her. Her fierce love for her family was evident in everything she did, from the countless family gatherings to the everyday moments of support and encouragement. Together, she and Alan created a home where all were welcome, a place full of creativity, new ideas, and acceptance.

Carole's passion and vision for creating beauty in life began her journey on a remarkable career that would one day lead to the development of the Green Valley Spa, where together with her husband, they redefined the spa industry.

Her healing spirit impacted both those who visited the spa and those who worked there. Her innovative ideas and unwavering commitment to holistic wellness led her to become a pioneering force in spa development, setting new standards and inspiring countless others in the field. Her legacy in the spa world is a testament to her incredible passion and ingenuity.

Her magical nature inspired those around her to transcend the daily ordinary into extraordinary. She created magic wherever she went, from making fairies with her granddaughters to inspiring others to create an inspiring and meaningful life. Her generosity of spirit elevated the lives of all who knew her.

She is survived by her beloved husband, Alan; their twelve children: Marc, Randy, Karen, Eric, Lara, Alane, Lisa, Matthew, Marianne, Cristin, Stephanie, and Brian; and her many grandchildren and great-grandchildren who were the light of her life. “ *She was my mother-in-law for 30 years! The greatest move she ever made happened at a beach house in California one summer. I stopped in for a quick visit without my family. She was sitting on the couch. She tapped the couch next to her, inviting me to sit there. She didn't say a word. As soon as I sat down, she pulled a milk chocolate dove bar out of a frozen package at her side and handed it to me with a smile. She didn't say a word. Joy filled my heart! She laughed, and I laughed. It was the greatest single movie I ever saw her make. And she did it without saying a word. Absolutely brilliant!*

“ *Carole has blessed me and my family in many ways, mostly by the love, joy, creativity, and beauty that she emanated and I believe still does, blessing her dear family and friends through this veil of mortality. She (and Alan) gave me and my two oldest daughters employment at her beautiful Green Valley Spa and space for educational and inspirational gatherings we were blessed to attend, including my daughter Christine's marriage. We were supported in healing and nourishment there through the beautiful, serene setting and wonderful healers she employed. Thank you, Carole, for all you have given and are!!! Holding all of us who knew her as wife, mother, grandmother, employer, friend, and/or healer in love at this time. David Tate and family*

“ Carol changed my life! The creativeness and knowledge she gave me is what made me the therapist I am Today! It was almost 30 years ago that I began working at Green Valley spa! She was an amazing woman! I'm grateful I was able to learn from her. I think of her often! The products and treatments she created were so special. It allowed all of the therapist to experience a caring and giving work place. She knew so much about the skin and body. I enjoyed learning from her. She lives on in every person she shared her knowledge with!

“ To all the people most precious to Carole,

*How proud she was of all of you. How lucky you were to have such a champion on your side. She shared her magic with everyone as a great fount of love, attention and assistance whenever she could.*

*She once commented to me that she wished she could grow old more gracefully, (everyone's dream, right?). But this amazing soul was so much more than her body and the service she offered humanity and all of us who know and love her was beyond comprehension. How many tens of thousands of lives did she touch in her time here.*

*Her legacy lives on in you. Maybe not the same way that she contributed to the world, but rather in the light and love that you give to the world; in the compassion you show to others; in the beauty that you are and that you create; in your innovative approach to life; in your ability to laugh at yourself and not take this world too seriously. This are incomparable gifts.*

*We shall not mourn her passing, but we celebrate a life lived to the fullest!*

*Much love to you all - Vickie & Hank Moyle*
