“ *There are so many memories! Christmas Eve dinners of KFC, Crafting books, and owl figurines!
I loved taking road trips with my mom and Aunt Carolyne. We traveled all over the southwest in her Bronco listening to country music. One road trip memory I had with Aunt Carolyne is when we went to Arizona to the Sunset Crater National Monument. Me being only 8 or 9 years, was convinced that the volcano was going to erupt. She still dragged me out into the middle of the crater to take a picture! Needless to say, I was not a happy camper!*

Aunt Carolyne, you are loved so much and will be missed! I am sad to lose you, but happy you are at peace.
