“ *Never gave me a lot. He taught me to work for what I got, and did and do ever since. Loved my dad despite he's demeanor and flaws, help to accept others as well. He was a good man and my DAD.*

“ *He taught me to work hard. Age 14 I was required by him to dig up a appletree and tall evergreen at my house in Bountiful on two seperarate occations. Took me a few days but I managed it. Also every day after school I required to weed in the huge gardens he'd produce. I learned to work hard which helped me in my work carrear. Love u dad looking forward to seeing u again.*

“ *Remember the old red pickup with wood rails. He would take all of us driving on dirt roads up by the Bountiful B on the mountains above our home in Bountiful on 4th east 4th North. Most of us rode in the the back, couldn't stand up. What fun every weekend.*
