“ *When Gary and I got married, we couldn't afford a photographer. Cheryl volunteered herself and Terry as the official photographers of our wedding. Cheryl was amazing, she spent the entire day making sure that we stopped, posed, and paused to create lasting memories of our special day. I have always been so incredibly grateful to her for insisting on taking our pictures. Thank you Cheryl for always being so kind and making sure we celebrated our special moments.*

“ My memories of Cheryl go way back to my highschool days when we lived just a few blocks away from the Cordon family in Logan. Cheryl was a senior when I was a Sophomore. She was cute, popular and in the highschool Pep-Squad called Hi-Lows! I so wanted to tryout for that group. With Cheryl's encouragment I stepped out of my comfort zone and tried out. No I didn't make it but she became my personal cheer leader! When Cousin Terry lived with my family while he attended USU, we gave him all encouragement and our total approval for him to persue a relationship with that cute girl up the street. So glad that worked out as Cheryl became part of the family. Wonderful friend, cheer leader, cousin, sister, wife, aunt, mother and grandmother!!!!!! Will look forward to the time we can all be together again!!!! Janice Ryser Warr (a favorite Cousin)

“ What a beautiful lady Sister Blodgett was. She was always so kind and generous when I was in her home. This was especially impressive considering what an obnoxious child I was. Her patience was unlimited. There was always a yummy treat waiting for us when we finished playing night games or after one of Bro. Blodgett's funny stories on sleepover nights. I will always remember how gracious, compassionate, and loving she is. My love and prayers go out to Bro. Blodgett, Lori, and all of your family. Love, Kathryn Ann Thorley Swain

“ I had just started attending the Cedar 8th Ward when I was called to serve as a counselor to Cheryl in the Primary Presidency. That was the beginning of a beautiful friendship that I treasure. Cheryl became a mentor and a dear sister. I will always be grateful for her submitting the name of a relative stranger. That calling was one of my favorites ever a created so many fond memories.

I am so sorry for your loss. I know all of you will miss her, but you will continue to be blessed by her example and influence. She is well suited to the role of ministering angel. I pray for your comfort.
