“ I met Christine when we both worked together while going to school, her sister Janelle introduced us. She was always so fun and easy to get along with that we became friends outside of work. Because of her red hair she earned the nickname "Torch" with our coworkers but she definitely held her own needling us right back because her mind was so quick. We played tennis a few times and when she wound up to hit her crosscourt forehand I knew I was in trouble. She ran me around the court way too many times! We hadn't seen each other since she left Calgary and hearing about her passing was such a shock. I'll always remember the great times we had and her positive outlook on life.

“ I sent this over a month ago, I hope she had read it, but I feel like I should share it with her family. Mrs. Baresco is such a bright light and our whole is truly sadden by her passing. Our deepest condolences. We are so sorry for your loss. "Dear Christine last week my son Andrew said you substituted his class. I wanted to say thank you for being so kind. He came home happy and not so nervous. It has been a difficult year for him and that day is one of the only days he came home happy. Thank you. Andrew told me it was because of you, James also commented that he loved your class and how kind you were to him. Thank you for being an answer to a mothers prayer for her sons."

“ It was a blessing to know Christine. She loved her family and was happiest when with them or sharing memories about them. We got to know her through her dad and mom who truly cherished her as a child of God. Christine overcame many challenges but was a woman of faith who met them with the knowledge that with the Lord's help, all was possible. We'll miss her sweet smile but know that she has graduated to a better place.

“ Too many lovely memories: Scottsdale, building decks, chasing Tango, Taco Tuesdays, upholstering chairs, dinners, cabin & fishing and hikes, walking the tracks in the coulee, enjoying big deck/patio in Medicine Hat,...just knowing you; too short a time here on earth but love flowing from my heart and soul to your final peace.
