“ *Clarence was one of our teachers in Fireside classes when I first started going. He was always reserved and quiet, and very kind. I think he was drafted into the army, in the early years of the Viet Nam war. Haven' t seen him for a very long time.*

“ On Saturdays we used to serve lunch to a group of men that were on a " clean-up" crew. Clarence (we called him Brother) could always be relied on to tell a great story! He was an awesome storyteller; and, was always very pleasant! Love and Best Wishes to his family and friends!

“ From Natalie Palmer:

Here's a quote from George Q. Cannon that was sent to me. It meant a lot to me and I'd like to share with the family:

"It is right that the ties should be strengthened between us and the spirit world. Everyone who departs from this mortal state of existence only adds another link to the chain of connection--another tie to draw us nearer to our Father and God and to those intelligences which dwell in His presence."

Love and prayers to everyone!
