“ My dearest friend Kay. We lived across the street from each other in a Trailer park in Urbana, Il for awhile. Her dear parents and brother Butch lived a few doors down from us two. They all were a super family. Our friend Janet and myself were so excited last year in the summer she flew in for a visit and we had two days of quality time with her. She begged us to come to Utah and see her and Butch's beautiful home. We never made it. She told us she would try to come again this summer. Kay was a bundle of fun and have great memories of her. Our deepest sympathy to her family. We will never forget her. Wish we could be there for the services. We are there in love and memories. God Bless her she will be united with our Lord, her family and friends. Please tell her we all love her so much.

“ RIP Kay. I am so sorry I could not be there with you. Having you as a sister-in-law for the last 54 years has been a great joy in my life. We have had a lot of great times together, from high school to raising kids and grandkids. I hope you are playing Farkle with Mom and Dad now and laughing like we used to. Tell them hi for us when you see them. We love you and miss you dearly!! Your sister-in-law(sister)for life!! LOU

“ We are so sad to hear of Kay's passing. We visited her in the hospital on Wednesday, she knew we were there and thanked us for coming. She was definitely one of our favorite patients here at Miracle-Ear. She is a sweet heart and will be missed so much. May you feel Heavenly Father's loving arms wrapped around your family giving you peace and comfort in knowing that she is in a better place and that she is whole again and free of pain and suffering. Our thoughts and prayers are with you during this difficult time.

“ I grew up with Kay and the rest of the family in Elliott, IL. Kay and I were in same grade in school and with the graduating class of 1962 from Gibson City, IL High school. We had many good time, especially with the Elliott bunch. I talked to her last when we were planning our 50th class reunion last year. She was happy to be in Utah and sorry she could not return for our reunion that year.
