

Colette Neerings Stevenson Argyle

September 2, 1971 - March 7, 2014

Colette Neerings Stevenson Argyle passed away much too soon on 3/7/2014 of heart failure. She was diagnosed with Congestive Heart Failure in 2004 and had spent several years enduring its symptoms and challenges.

Colette is survived by her 4 wonderful children, Cody Neerings (23), Collin Stevenson (22), Crystal Neerings (17) and Cameron Argyle (Hinds)(13). She is also survived by her mother Coleene Neerings, her 5 brothers - Grant (Lorri), Darren (Laura), Cal (Suzi), Matt (Heather, and Wyatt (Kim), as well as all of her nieces and nephews whom she adored.

Colette graduated from Olympus High School and attended Salt Lake Community College working towards her degree in Graphic Arts and Web Design. When asked, Colette would proudly say that her greatest accomplishments in life are her kids and how amazing each one of them are! Someone who was very dear to her said near the end; "Colette... you are like a candle that has been lit at both ends - you shine twice as bright... but you burn out sooner than all the rest!" How true this was of Colette. Her bright and warm personality touched all of those who knew her. She always had a kind word for others and a sense of humor that would bring a smile to everyone's face. You will be greatly missed Colette! (A special thanks to all those who helped her and stood by her side until the very end.) Colette was preceded in death by her father LeGrand S. Neerings.

Graveside Services will be held at the Santa Clara Cemetery at 1:00 PM on March 15, 2014.

“ I only ever knew her as C.C. and she would only pop into my life for short "stays." But when I would come into work for that shift if I saw she was there I knew it was going to be a fun uplifting day. Your daughter and mother had that quality that I never seen very much where I was. I always told her she could be anything, I really believed she could. Your not supposed to get attached there but C.C. was my friend, I loved and cared for her no matter what the rules said. I retired in 2010 and moved out of state to stay. I came back to Utah in 2015 for a visit and tried to find her by checking all her usual places. She was no where to be found and I just she too had moved away.. Something this morning spoke to me to check what I just did. My heart is in a million pieces for the early loss of this beautiful silly kid.....CC, I know I can not see you or physically say my good byes but please know dear one how highly I tjough of you regardless off the sometimes stumbles in your path. At the end of your life your were not judged by anything you did wrong, it sounds to me by all the loving messages you were judged by all the things you did right! I'm very proud to have know you and call you a friend. I guess for now its goodbye and I will see you at my end.

“ Mom You were definitely the most amazing person I've ever had in my life and I miss you more than anything or anyone. Heaven is blessed to have You back and I'm sure God is rejoicing at the fact that You are finally home and no longer here in pain. Just know that You have been loved deeply and our love for You is infinite. You made the world a better place and You have shined Your light on so many people who will never forget You. I can't even put into words how much You mean to all of us, me especially, we had a bond that was unlike any other I've ever even heard of. You are an amazing person and the world shines a little less bright without you here. You will be missed infinitely and never will Your memory fade from my mind.

Your Son, Collin David Stevenson.
