

Colleen Emily Jacobson Dalton

August 5, 1934 - December 14, 2016

Colleen Emily Jacobson Dalton passed away unexpectedly in the early morning of December 14, 2016. She was 82 years young and still kicking up her heels riding a razor and going to a Christmas party her last day on earth. She said she felt “fabulous” and was happy spending her days with long-time companion, Norris Thompson.

Colleen was born in Bloomington, Idaho to Pearl and Wendell Parker Jacobson. She was raised on a farm in Bancroft, Idaho and moved to the big city of Pocatello at the age of 17. She worked as a legal secretary until she met and married Dale Andrews, whom she later divorced. She married Adrian Dalton while working for the U.S. Forest Service in Ogden, Utah. He passed away in 2003.

Colleen was courageous and determined. In 1967, she packed up the car and moved her three daughters, a cat, a dog and a bird from the east coast to Utah. She provided a happy and stable home for her family, even during bleak times in her life. She has helped all her children, step children and grandchildren at one time or another with a place to stay or by providing funding for a worthwhile cause. Her love and generosity had no limits.

She left us with no long goodbyes, getting her wish not to be a burden to anyone. She leaves behind Norris, daughters Pat Weaver, Shelly Andrews,

and Paula McFarland, sister Dian Rasmussen (Jerry), step children Sam Dalton (Kim), Charlotte Harris and Suzanne Dalton, many grandchildren and great grandchildren.

We welcome Colleen's friends to join us in a final farewell between the hours of 2:00 and 4:00 p.m. on Saturday Dec 17, 2016 at Serenity Funeral Home in St. George, Utah.
