“ I got to know Connie through our writing club. Although the club was abandon a number of years ago, it was a fun time. I'm glad I had the opportunity to get to know Connie. I have thought of her often and send my thoughts and prayers to her family. She was a wonderful lady.

“ I remember my beloved sister when were growing up in West Jordan how we would go play at the neighbor's and come home late. Our dad would spank us then we would get grounded, and have to pull weeds everyday for two weeks. Then when we got older we would go to the salt mines and play there but my best time with my sister was when we would go down the river on intertubs and go throw the tunnels and pop out on the other side. Our times growing up were fun expectedly when we would go to hogal zoo and lagoon those were the fun times.I was really glad to have a sister to help me when i need her when I got married she made my dress and may wedding cake and showed me the responsibility to take care of kids before I had any I love and miss my beloved sister.Diana Roberts
