

Connie Marie Putnam

September 21, 1947 - March 19, 2026

The lovely spirit of Connie Marie Putnam was released from this world on March 19, 2026. Connie was encircled by the love and gratitude of her family as she peacefully and faithfully entered the next world.

Connie Marie Putnam began her earthly sojourn on September 21, 1947 in Lynwood California as the daughter of La Verne and Mildred Evans. She was the oldest of four children and the only girl with her brothers Paul, David and Mark. She grew up in Fullerton, California.

Connie left a beautiful musical heritage. When she attended BYU, she was part of the Department Bureau which was the predecessor of Young Ambassadors. She shared her lovely singing ability as she traveled all over to perform. Her talent will be a welcomed addition to the heavenly choirs.

Connie married Paul Ellis Putnam September 2, 1971. They loved each other immediately and continued to adore each other always. Connie was in great anticipation of her joyous reunion with Paul and other loved ones who preceded her in leaving the earth.

The Putnams were blessed with four children: Jeffrey Putnam (Shannon), Kristi Prior (Swen), Alison Lee (Jon) and Jill Lyman (Courtney). They reared their family in Frazier Park, California. Paul and Connie are fortunate to have thirteen grandchildren and three great-grandchildren with one more arriving in June.

When her beloved Paul passed away seventeen years ago, she made her life as a widow one of service in St George. She spent those years radiating her

love for the Savior by living in service to her family, friends and the Lord.

Connie was a devoted volunteer to the work of the genealogical center. She also found great joy in her many years of temple service.

Connie was and will forever be a faithful, selfless and kind wife, mother and grandmother. Her gentle disposition earned her the love and admiration of all who know her. Now her loved ones will seek to emulate her example and legacy to be worthy to live with her eternally.

“ We'll always remember Connie's kindness and the way she made everyone feel at home. Years ago in St. George, when Zach was just a baby, she opened her home to us and watched him so we could go to our convention. That meant so much to us, and I've never forgotten it. Every time we saw her at family gatherings, she was the same, warm, welcoming, and just genuinely kind. She had a way of treating everyone like family. We feel lucky to have known her and to have felt that kind of love. Sending love to all of you. 🧡

“ I've known my cousin's Connie & her brothers all my life. We spent at least 1 day a week doing fun kid things while our mothers ironed. Connie missed out on this, but her Dad would take us boys out camping in the dessert & do wild & crazy things that we all loved. We were fortunate to be included in many of the Evan's functions which showed me how family life should be. Connie visited us for a week in Oct. 2023 which we will be forever thankful for. She will be missed by so many. With heartfelt sympathy. Steve & Georgene Smith
