“ Sue had an discerning eye in life and design. I knew her for a short time but that's all it took to endear her and Ron in my heart forever. I feel blessed to have been a part of their lives.

“ *Sue has been one of my best friends since we were in 8th grade. We have somehow managed to stay connected all these years . And I'm so grateful for that. When we do get together we can chat for hours. I will miss our once a year get together — sometimes with other good friends from the old neighborhood. She didn't like her picture taken — I'd tell her to smile if she wanted to look good in the picture! I've got a few scrapbook pages filled with some great moments. I'm going to miss her a lot . My heart goes out to her immediate family — I hope you find peace and comfort in the great memories you have of Sue .*

“ A wonderful lady who stood by her husband in his calling as Bishop and fulfilled her own church callings in a quiet efficient way. Sue was kind in her words and actions. Bishopric Ron has now a sweet angel on the other side.
