“ *I am sorry I missed Dale's funeral. He was a great guy, he and I went to CSU/SUU together back in the 60. We took a boring Political Science class together. We sat next to each other, and made a deal that one of us would sleep while the other one took notes then half way through the class we would switch. We didn't get great grades but we passed and filled our group requirements. He was a good friend back then and he married one of my favorite people, Chris.*

“ *I first met Dale while my family and I lived in Pagp Pago. I enjoyed his company then-and yes, saw his type of "humour". After retiring and moving here to St. George, I was able to meet up with him again at the Travel Agency when I also met Sister Atkin. We were able to lunch now and then and always enjoyed his "take" on life. I am saddened by his passing and wanted to convey my sympathies to the family- I will miss him. May he receive Blessings from our Heavenly Father which he so richly deserved. Regards, Brant Judy*
