“ *I am so very sorry about Dalene's passing. Dalene was such a special part of my life. When she and the family lived with us for a while, it was a joy to have them. Dalene was a clean "freak" as she would say. She always cleaned the water faucet off in the restroom at work to make it shine. That has rubbed of on me, and now I do the same thing. Dalene was awesome in her job as medical secretary at work. She was always one step ahead of me, and really kept the medical department organized. Dalene will be deeply missed by me and my husband.
Our thoughts and prayers are with all the family,
