

Daniel Howard Tuttle

July 14, 1946 - July 14, 2022

Daniel Howard Tuttle passed away July 14, 2022, in Hurricane, UT. He was born July 14, 1946, to Maurice and Rigmor Andersen Tuttle in Salt Lake County. He was the eighth of nine children. He often joked he slept in a top dresser drawer in the family home in Magna, Utah.

Dan married his high school sweetheart Marcia Wilson on March 18, 1966. They had four children and 13 grandchildren whom they loved with all their hearts. Marcia passed away on November 7, 2004. Dan married Sherry Nuttall Roberts on May 20, 2005. They spent the next 17 years by each other's side for adventure after adventure. He loved traveling and spending time with his family. He was so supportive and proud of them and all their accomplishments.

Dan's life and career was busy and full. His biggest talent was taking care of people. He was a true Democrat, spending 14 years in the State Legislature, representing his hometown of Magna from 1984-1998. He was voted the Representative of the Year in 1989 by the Utah Democratic Party and in 1990 by the ARC of Utah. Dan served as a Trustee on the Magna Water Board for eight years and as Chairman for five years. He was a proud Cyprus High School "Pirate" and was entered into the CHS Hall of Fame in 1998. Dan retired from Kennecott Utah Copper in 1997 after 32 years and was a strong union steward. In 1998 he became the Manager of Public and Government

Affairs for US Magnesium LLC. He loved his job and proved his worth, every day for the 24 years he held it. Dan loved the friends he made through his years serving in the state legislature and lobbying in Washington D.C. He also served on the Great Salt Lake Advisory Council from 2010 to the present. Dan loved Antelope Island and he made many memories with family and friends while participating in the annual Bison Roundup on the island. He also served on the Utah Division of Forestry, Fire and State Lands Advisory Council from 1999-2006.

Dan passed away peacefully with his wife, Sherry and members of their family by his side.

Dan is survived by: his wife, Sherry; mother-in-law Elizabeth Nuttall; and his stepmother Norma Nuttall; children and stepchildren, Michael (Brenda), Andrew (Tiffany), Mardee (Spencer) Allen, Wendy (Craig) Bliss, Christa (Chris) Aydelotte, Tyler (Angie) Roberts, Cody Roberts (Tina); twenty-four grandchildren and three great grandchildren; four siblings, Maurice (Glenna), Kenneth (Sylvia), Thomas (Connie), David (JoAnn); loving nieces, nephews and friends.

The family would like to thank the doctors and nurses at St. George Regional Hospital and Lacey Evans with Hospice.

Dan was one of the great influences I had early in my life. He was so kind and funny. Always was a hard worker and a man who loved his family. He will be missed but always remembered.

Dan was an amazing guy and friend. We worked together on several projects. He loved the community and its people. And what an adventurer he was. He actually talked me -- a self preserving man -- into riding a horse on Antelope Island and HERDING BUFFALO! That's Dan. Just make life meaningful and exciting. Cherish your friends. Stand up for people who need help. My very best to Dan's family

Our heartfelt condolences go out to Sherry and Dan's family for their loss. I have always know Dan as a person who gives service to his fellowman. Having served in the legislature with him I respected his willingness to be involved and work for the betterment of his community. I was proud to call him 'Friend'.

“ Dan invited our first four grandkids to come ride his pony and see his "ranch" at their Magna home. How he loved children, animals, and being a cowboy. We will miss him and are so grateful to know him and Marcia and their children as well as sweet Sherry and family who brought joy back in his life. Clyde & Norma Hendrickson

“ I've known Dan for just short of forty years. Benefitted from his wisdom and humor. He knew when to be be intense, but usually took the path of compassion and reason. For me this is a terrible loss of a friend, but a life that was a shining example to remember - Tom Tripp

“ Dan and his family(s) have been respected and honored by acquaintances, friends, politicians, and co-workers. He was honest to a fault, sincere to all, and always willing to help. He was a tireless worker and never refused an important task.

Dan and I have been lifelong friends from our early days swimming in the Kennecott drainage ponds, to sponsoring legislators for activities that were important to both of us.

I loved Dan like a brother and he never disappointed me or my family when his endorsement was needed and important.

Dan said what he thought and pulled very few punches. He didn't have a political filter in his body!

I love and will miss Dan very very much.

“ *I met Dan through his daughter Wendy. He was always warm and kind and treated me with respect I didn't deserve. In high school I visited the capitol from cedar city. He found me and took me to the senate floor and told me stories about work. When I moved to DC, He always took time to visit me, tell me stories and feed me dinner. I am better having known him. I am sad only for those who will miss him as he lived a tremendous life that should be envied.*

“ *I knew Dan through our relationship with US Magnesium since 1999 and he was always the most sincere, caring, honest, professional, and hard working person I have known. My wife, Catherine, knew Dan even before me when she taught his dear daughter Wendy at Cyprus High School.*

God bless Dan and his family.

“ Well Dan what can one say, except you led a life full of adventure, and you shared that life with many of us. Some of the best memories will be that of being on the campaign trail. To many of us you and your family will be remembered as being the "Ambassador and first family for the community of Magna". You pretty much did what you wanted to do, and now may you rest in peace. Thanks for the great times. May blessings and prayers be with your family to comfort them and may you go in peace!!

“ Many people claimed to give service to their fellowmen but Dan Tuttle actually did it. Weather it was physical or emotional Dan was always there to give support. He was as good with his talent of building or fixing something as he was in knowing what to say at the right time. There aren't many people as genuine and loving as Daniel Howard Tuttle. You will be missed by many people and especially by me. Thank you for being my friend. David Ure.

He also got my daughter to not be afraid of Santa. He was a sweet and a wonderful man. Thank you Dan for being a great friend and full of wisdom about horses and history.

“ A true gentleman and gracious to all. I was fortunate to have met Dan just a couple years ago, but knew of him for many years. His service to the community and love and caring of family was his hallmark of character that was obvious to all who knew him. May you all find peace and comfort in the memories of a life well lived as you honor Dan's life and legacy.
