“ Oh Lovell kids. I used to Babysit you all, back in Kanarraville, when you were tiny ones. Andrew, you weren't even walking yet. Your mother was one of the kindest women I have ever known. She had a brilliant sense of humor, and I remember laughing with her a lot. She was sweet, loving, generous, and treated everyone as her personal friend. I am so terribly sorry for your loss!! I loved her as a kid, and have missed her as an adult. May you be blessed with peace, love, joy, and even laughter as you remember her. We grieve for her loss, but celebrate her being in Heaven.

“ As you prepare to celebrate Grandma Danna's life, we send our love to each one of her immediate/extended family members and friends. With the Plan of Salvation, we know where she is now & no longer suffers with her declining health here in mortality. - As suggested, in lieu of sending flowers, we are making a contribution to the Humanitarian Aid Fund of the Church of Jesus Christ of Latter-day Saints in order to assist the Ukrainian refugees who are surviving this current war on their country. We know that this will please Danna - a courageous Mother of her surviving 4 adult children & grandchildren. All of us may find comfort in knowing about “this birth that we call death” & that our relationships with her will continue throughout the eternities.  
With gratitude for the grandchildren we share,  
G-pa Tom & G-ma Diane Stone and families.
