“*Dar was a great man. He will be missed. He reached out to me a year ago and we talked. We had some great times when we were kids. I never ran into him in the Air Force but wish we had. My prayers go out to the family.*

“*I graduated from high school with Darwin. He came back our last several class reunions. At the dinner I sat with him at our last one. I was so impressed with his many accomplishments in life. I will miss him at our next reunion in 2023. Darwin said he loved coming back to his hometown and enjoyed seeing all the changes.*

“*Darwin and I spent many hours together as teenagers playing baseball and horseshoes at the cottage, bowling in a men's league with Grampa Tigges and Uncle Jimmy, and lots of games of canasta with cousin Joyce. After many years, we reunited at my brother's house for a family reunion. Dar will be greatly missed by his mother, family, and friends. My prayers and thoughts go out to Aunt Anna Mae and her family. God bless y'all.*
