“ *I'm going to miss you so much Dave:
I've had so many great memories of our camping and bass fishing adventures at Sunnyside. I was blessed to have worked along side you at NDOT and become a friend. You were a strong person that was never afraid to say what was on his mind. If you liked somebody you would do anything for them and if you didn't they better walk away. We shared the good and the not so good moments in life. You were so sweet to my children and they grieved with me upon hearing of your passing. You will always be in my heart Dave. I will miss you my friend.*
