“ My name is Beverly, I first met Jack at "Parents without Partners" He and Gary (now my husband) we're good friends. I remember Jack coming over very excited to tell us he met the girl of his dreams, her name was Elaine and he wanted us to meet her. After that day we went camping and fishing together just about every weekend and when we weren't fishing we were playing cards. In other words we spent a lot of time together. We kept in touch when they moved to Overton, NV and we moved to Preston, ID. Needless to say Gary and I will miss Jack a lot.

“ Elaine, we are sorry for your loss. We were surprised and saddened when we saw the obituary in the paper. We will miss seeing Jack around town and going for lunch at our favorite places with the two of you. We put that off too long. If you need someone to talk to, just give us a call.

“ Elaine, I am so sorry for your loss. Not knowing your particular circumstances, I hope Jack didn't suffer and yet didn't go so quickly that you couldn't say goodbye. Cherish your memories and take care of yourself. Sincerely, Deborah Mabry

So sorry to hear about Jack. We didn't want to bother you while you had your Granddaughter there. We're back home now but will be back in Oct. I'll miss seeing him at BINGO and teasing him about one thing or another or seeing him out and about. Please let us know if we can be of any help when we're in Overton. Again, our deepest Sympathys.
