“ I never had David in any of my art classes...yet he was always there in the hall to open the door when my hands were full. He was a gentleman....a gentle young man. When we went to Germany he was the one who befriended our grandson Damon(he was from Idaho Falls and knew not a soul on that trip).....David made the trip memorable for Damon.....A couple years later after my retirement fro THS I met David again on the plaza between acts at Tuacahn. We had a nice chat and again I was so impressed with his gentleness. May he be at peace with his music. he was/is so talented and will be missed. Our prayers go out and upwards ...bless you. Mel Scott/art director at THS...retired.

“ Our prayers and deepest felt sympathy to you and your family. We never met your son, however we know, from the times we've spent with you, Richard, that you love your family and cherish them deeply. May God comfort you in this time of sadness and may you feel his love and the love from all of those who know you. With sympathy, Theresa and Mark Bivins
