“ *My heart aches and there are no words to express how I feel. My father was a caring, happy, forgiving, compasinate person. I take refuge in the fact that he had so many new friends in Utah.*

“ We are deeply saddened with the passing of our dear friend Dave. We were shocked in hearing of his passing as we had been visiting him at the Hospital as well as the Rehab center and had just seen him at the Rehab center a few days before his release home. He was so happy and feeling strong and so positive about the progress he was making after his heart surgery. Still so hard to believe he's gone.... but we met Dave through the Rods & Rebels Car Club and we had many fun times together and will always remember his Big Smile, along with those Sunday Bowling get togethers and plenty of fist bumps for all those strikes he threw.....Rest in Peace, Paul & Sara Winn
