

David Corey Heisler

November 15, 1985 - June 30, 2016

DAVID COREY HEISLER, age 30, passed away June 30th, 2016. David enjoyed friends, family and life. He was a silent hero, helping friends in need, taking care of his family and protecting his little girl.

David was born November 15th, 1985 in Schenectady, NY to Kenneth Heisler and Mary Katz Brace. He prided himself in growth. Each day he learned something new that made him grow into the man and father that we all know and loved. His love and adoration for life could be seen in the faces and voices of all that knew him. His joy for his daughter showed in everything he did. We are going to miss you David, you'll be forever in our hearts and forever in the heart of your daughter.

David is survived by his parents, Kenneth and Deborah Heisler, Santa Clara, Utah and Mary Katz Brace, Phoenix, AZ; his daughter, Mariah Heisler; his brother, William Zembo, Albany, NY, his grandparents, Robert & Genny Kvatsak, St. George, UT and Alice Katz, Schenectady, NY; as well as many loving aunts, uncles, cousins, nieces, nephews and special friends. David was preceded in death by his grandparents, Robert and Helen Heisler, Hiram Brayton, and Allen Katz.

David is a Super Hero. He was able to leap tall buildings and conquer the evil with one selfless act. He will forever be a Super Hero in the eyes of his

parents and daughter. As with most Super Hero's, they never die, they just move to higher ground where they watch over us and protect us when we need them most.

Visitation for his family and friends will be Friday, Oct. 28, 2016 from 6:00 pm to 8:00 pm at Shepherd of the Hills United Methodist Church, St. George. “ I remember when he first moved next door. Broke his leg moving in. That was the first of so so so many accidents. Probably the most accident prone person I've ever met. I remember when we started becoming close friends and you'd hang out and we'd talk about the most random stuff and then I learned your fun habit of showing up, smoking a cigarette with me no matter what time it was, and leaving. You were such an amazing person. You would go out of your way for people. I remember you rescuing me when I was silly and ran my car out of gas. I remember you wanting to watch Milo and not caring that Milo was anxious because I wasn't home... You were so patient. I can't believe I won't see you again. I remember us sitting on the couch watching Kevin Hart for the fiftieth time and laughing about the dog, your recent injury, the kids, music, or whatever. I remember the first time I got you to go to Envy and when you finally would start dancing. Who would've known that would be what you're known for now? You and the pink shirt. It's so painful sweetheart. I will love you forever. I'll miss you my friend.

I see so much of you in M. Her little run, her laugh, her smile... A reflection of you. I miss you. I will always try my best to be there and check up on M. She deserves the best and she was lucky to have you as a dad and blessed you have such amazing parents for her

“ David, I never got the chance to meet you but I consider you family. My great niece was so very lucky to have you as her dad. Looking at pictures of the two of you I can see the love that you both have for each other. That is a special bond that I'm sure your parents will nurture throughout her life. You were taken to soon but seemed to have left a very deep imprint on the the lives that you had come in contact with. Very loved and very missed.

“ It was amazing to see the boost of confidence within David after gaining full custody of Mariah. It depended his commitment to his daughter and that was evident in everything he did for her. He will always be remembered, honored and loved in the hearts of all of his loved ones, especially his parents Kenny and Debbie and his little girl.

“ *David, I so wish we had the honor of meeting you personally. We know what a compassionate person you were and that you had a wonderful sense of humor. We know how much you loved your family and that above all you were and still are a Super Hero Daddy to little M. You have brought a community together more than anyone could ever possibly imagined. You were a good and faithful friend that will be forever missed. Your memory lives on and it is comforting knowing you are still with us, looking after Mariah as you always have.*

“ I never met you, but you have been in our hearts and minds since the day you were taken. We checked updates fifty times a day, we worried with your friends and family, and we were devastated when we knew you wouldn't be holding your baby girl again in this life. My children know your story, we pray for Mariah every night, and we will never forget the man we never met who became such a huge part of our lives. I'm sorry this happened. Sleep sweetly and watch over your baby girl.
