“ *W0RMV de KI6OUF. Thanks for all the QSO's. I enjoyed them all and was always amused when you timed out the repeater. Hi hi. I'm glad to have known you. You are a good friend to all you meet and always willing to help your fellow hams and others. Thanks for that. I'm sorry you had to go QRT so soon. I know you have gone home and will have a wonderful forever there. So, 73 for now. I'll be clear and monitoring and catch you later on the other side. This is Boyd, KI6OUF out.*

*To David's family, I know how you will miss David's presence in your lives, like a huge empty spot in your hearts. But, David will live on in your memories until you are together again on the other side and God will bless and comfort you with his infinite love. - Boyd Borden*

*David, W0RMV, we will miss you on the radio, and at the Dixie Amateur Radio Club meetings. David was an "Elmer", who is someone who helps new ham radio operators learn about the hobby. We wish you a final "73" (good bye). I hope that the Spirit World keeps you busy. Jeff Porter AI7D and Debbie KE3FY.*
