

David Lee Miller

August 15, 1952 - September 9, 2024

Our loving father, grandfather, great-grandfather and brother passed away peacefully in his sleep after several months of struggling with cancer. He was an avid baseball player, golfer, and athlete. He is survived by his life partner and care provider Valorie Stewart, his daughter, granddaughter, great-grandchildren and his brother Michael (Mick) Miller. No formal services will be held. We pray for his travels to the other side as he will be missed dearly.

David's daughter Mary Gail, loved her dad so very much, as did her 2 daughters & son, and great grandson!!! I don't know who wrote this obituary, But they were wrong, Valurie was not his life partner. She was his caregiver and friend. nothing more, as Dave clearly told several people.

Dave and I were together for 10 1/2 years. He was my first love, I got along with his family, Especially his daughter Gail. To this day I am mom Christel. I love her, like my own! Dave and I lived in Utah, we moved to Oregon, first to beaver, then to Portland. we lived there for awhile, then moved to Seattle. we loved it there. We eventually moved back to SLC. we got him hired on to Hill Air Force @ the commissary. then we moved to Ogden, after a few years we separated. He has and always will have a place in my heart.
