

## Delmar "Blair" Lancaster

June 13, 1960 - May 22, 2026

Blair Lancaster, 65, passed away peacefully on May 22, 2026, in St. George, Utah. The second youngest of eight children, Blair was born on June 13, 1960, in Afton, Wyoming, to Delmar Clyde and Sybil Lancaster. From his earliest days, he grew up with a deep love for family, animals, and the outdoors.

Raised in Smoot, Wyoming, Blair graduated from Star Valley High School before pursuing his education at Utah State University. On November 27, 1986, he married the love of his life, Carol Lancaster, in Afton, WY. Together, they built a beautiful life filled with devotion, laughter, and family, living in Star Valley and Salt Lake City before eventually settling in St. George.

Professionally, Blair excelled as a Regional Team Sales Director. It was a career perfectly suited for him, as his love of sports, strong work ethic, and natural ability to connect with people allowed him to build long-lasting friendships. As a member of the Church of Jesus Christ of Latter-day Saints, he truly connected with the gospel's focus on family dedication.

Blair lived life to the fullest and possessed a wide range of passions. Sports were a constant thread throughout his entire life—spanning basketball, football, downhill and water skiing, snowmobiling hill-climbs, and more recently, pickleball. His work-ethic and drive to win enabled him to excel at the

sports he played, he loved coaching and investing his time in his children's athletics, was an avid sports spectator, and was incredibly fortunate to have a career centered around the sports world.

At home, Blair loved caring for and perfecting their landscaping, finding deep satisfaction in a long day of hard work. He cherished e-bike and golf cart rides, dinners surrounded by friends and family, watching movies or a game, and simply enjoying nature's beauty. Blair's strong work ethic and eye for detail left everything he touched more beautiful than he found it.

Above all else, Blair was a man fiercely dedicated to his people. His greatest joy was taking care of his wife and family, spending time with his friends, and caring for his beloved dogs.

He deeply cared about people; a favorite family example of his character was how he would quietly help a senior with their groceries, give them a warm pat on the shoulder, and walk away.

He is survived by his loving wife, Carol Lancaster of St. George; his sons, Josh Lancaster (Esther) and Jase Lancaster, all currently of Salt Lake City; his siblings, Jerry, EvaLee, Dennis, and DeNece; and his best friend and loyal dog, Jack.

Blair was preceded in death by his parents, Delmar and Sybil; his brothers, Clyde, Rex, and Blake; and his nephews, Derek, TJ, Matt, and Michael.

The family wishes to express their deepest gratitude to Blair's sisters, EvaLee and DeNece, and family friends Kimball and Brian, as well as the many, many family members and friends who showed up repeatedly to support Blair and the family. They also extend a special thanks to the dedicated nurses, doctors, and medical staff at St. George Regional Hospital for their compassionate care.
