“ I worked with Dennis for many years at the West Valley DLD office. He was a great guy and great to work with. He had a fun sense of humor. One time one of our examiners took a 16 year old on a road test which the boy did not pass. The boy's father was not happy that he did not pass the road test. Dennis called the examiner from his office, pretending to be the boy's attorney. When Dennis told the examiner who he really was, the examiner had to laugh. I feel privileged to have known and worked with him.
