

Dora Käthe Foster

September 10, 1924 - January 17, 2018

Dora Käthe Foster was born in Germany on the 10th of September 1924 to Johann and Käthe Fabian. Dora left Germany to go to America to marry Lee Merl Foster. They were married on Christmas Day. They lived in South San Francisco, California where Dora studied hard to learn English and to become an American citizen. Dora received her Certificate of Nationalization on November 11, 1954. She was very proud of her achievement.

Shortly after that they moved to Burlingame, California where they raised three children: Peter, Nikki, and Susan. Dora opened an Italian Delicatessen where her homemade raviolis were such a hit that they were sold to restaurants in San Francisco.

Dora and Lee moved to Santa Rosa where Dora joined the Newcomers Bridge Club. Dora was a competitive champion bridge player who played in competitions worldwide.

In 2007 Lee and Dora moved to Saint George, Utah where Dora passed away at the age of 93 on January 17, 2018. During her 93 years of life, Dora lived life to the fullest doing things “her” way; with joy, good humor, zest and having fun with her friends.. She was well known for her cooking, needlepoint, bridge, and gardening. She raised orchids and primroses that won many prizes.

Her children Susan, Peter and Nikki, her Granddaughter, Amara, and her daughter-in-law Sheilla will miss her sense of humor and her love. Dora's family wish to express their appreciation, of her wonderful care givers, at Brookdale Southgate and Integrated Hospice.

A memorial service will be held on January 28th, 2018 at 11:30 am at the Trinity Lutheran Church at 2260 East Red Cliffs Drive, St. George, Utah. Immediately following the service a Celebration of Life will be held in the Followership Hall at the Trinity Lutheran Church.
