“ I met sister Anderson while serving a mission in Jackson Mississippi. I recall her kind gentle nature. She was so very kind to me and always offered support and kind word. Her smile was always present and although I had never had a mother in my life she epitomized my vision of what a mother should be. She was incredibly kind hearted, gentle , loving and caring. I don't know that they make individuals like this incredible woman anymore. I'm older now yet her smile remains in my mind. My heartfelt condolences to the family and her husband President Anderson. I know the lord welcomes an earthly angel home. Sincerely, Randy Robinson

“ I was one of those walking buddies until we moved from Castle Rock. I loved that hour in the morning visiting with Doris. I've often thought about it since. We also had a monthly home teaching group at their house and Doris was always so gracious and always had a special treat for us. Tobe, we know you'll miss her and offer our love and condolences. Remember the good times and may God be with you. Love Stan and Barbara Plewe
