“ Doris lived in my neighborhood. She would walk to the corner and sit on the big rock in the sun. She loved to see my little chihuahua and would always pat him. She was the sweetest woman, and I will miss talking to her. To her daughter and family - I'm sorry for your loss, your sadness. Time will heal your hearts, and memories of her will live forever. 💜💜💜

“ Doris was always so kind and sweet to everyone she came in contact with. She is the first person I ever met that likes ice in her glass of milk.
