“Doris will be greatly missed here in mortality. May her love continue to shine down upon all the family, but know that she is with her dear Savior.

Working with Doris for 10 years at the Board of Realtors was a joy because her strong faith in Jesus, and I appreciated her daily sense of humor. One particular memory I have is entering into the database information on two new REALTOR members. On one day we entered what we were told was the father and the next day we entered his son. We all had a great laugh when Doris asked, "so when do we get the Holy Ghost?"
