“ *Dorothy Kinney and Dorothy Madsen worked together at Montgomery Ward in Pocatello, and were very, very close for many years. While Wally and Dorothy's husband Don worked together on the railroad, the two ladies would run around together. The two shared a lot of great experiences, and she will be missed.*

“ *I had such a good time with Aunt Dorothy during our summers at Grandma Morrison's home in Arimo, Idaho. She was a fun person, always ready for a good time. Fourth of July Parades, Fireworks, and Swimming at Lava Hot Springs with Dorothy and my cousins are among my most precious childhood memories!*
