“ We moved to Caldwell about the same time as the Laws did. Some of our children and yours were close in age. They enjoyed hanging out together, especially Jeremy and Rohn who became lifelong friends. When Doug was Bishop, they called him Chief Bishop. Jennie loved to tease him. Dave still talks about the camping trip he and Rohn took with Doug and some of your boys. He says the Law guys taught him all about jumping off a boulder into a freezing lake. We always loved being around you all and were sad when you moved away.

“ *Myself and my Family are shocked and saddened to hear of the passing of Douglas Law! He was my Chief for many years with Mesquite Police Department. I will always remember the time he and Carolyn joined myself and the department's Explorer post for a competition we attended in Chandler, AZ. It was a lot of fun and I don't think the kids ever forgot about it!*
