“ Arlene - We are so sorry for your loss. We love you and Earl and have appreciated your kindness and support ever since we moved to your neighborhood. Many is the time you sat in the car and Earl shuffled up to our doorstep with baked goodies in his hands. He was always so proud of what a great cook you were and happy to be a part of the sharing. We will miss him. Sending you a virtual hug! Susan & John Gordon

I was so sorry to hear of Earl's passing. My sincerest condolences to Arlene and the family. I'll never forget our work outs in the pool and the neighborhood news we shared. I'll miss seeing you.

I loved having Earl as my Hone Teacher for many years! With Earl you also get Arlene! They looked after me with much love and one of my special memories is coming to Cove Fort when they were serving there as Missionaries! He will be missed by so many more than his family! Uncle Earl always held a special place in my heart. One of my early memories of him and his family was when my family first moved to Utah in 1973. They showed us several places to eat at, one of them was Robintino's Pizza that was located on 1000 N and Orchard Dr. . Our families of 12 total crammed into the dining space they had for us. I thought it was the best pizza I ever ate.

There were many Christmas Day visits to their home when they lived in Bountiful. They always seemed happy to see us as we kept filling every nook and cranny with a lot of our relatives, most of them since have passed.

Arlene, Steve and I love you and we feel your loss. You taught me the Gospel through words and deed. When the time comes, the Reid reunions will be held just on the other side.
