“ Leon is a great soul with whom I was honored to serve. He was a great and important member of our elder's quorum presidency. On one occasion a famous artist needed to stage a picture for a scene he was to paint for the church. We gathered at my home following a presidency meeting where the artist met us. He had us pose in different stances and thanked us for our time. A few short weeks later in the Ensign we were shocked and surprised to recognize the artist had turned us into prison convicts. The painting accompanied an article depicting President Spencer Kimball's visit to the Utah state prison. Leon's body was a major attraction in the painting; his stenciled convict number on the back of his shirt left no doubt where the setting took place. We had a great laugh about that for years to come.

We appreciate the loyal friendship of Leon and Audry. You followed your dreams and made a huge difference in the lives of all whom you have touched.

May the Lord's tender Spirit comfort you with solace as you remember Leon's great soul.

*Love always,
Richard and Mar Jene Wilcock*

“ I have never met a more gentle man in my entire life. Leon and I worked together for many years and I still miss seeing him every day. He and Audrey were an inspiration to me. I know that many folks thought the world of Leon and he will always be known to us as the "Gentle Giant". My love and prayers to Audrey and Leon's family. May God Bless You. Melanie Palmer

“ *Winona and I send our heart-felt condolences to Audrey and family on the passing of Leon. What a great man - always kind, friendly and helpful, and a joy to be around. I have great memories of him at the Tax Commission, as does my daughter, Camille, who worked for him.*

May the comfort of the Holy Spirit be with you at this time, and give you peace knowing that Leon still lives and we will see him again.

Our love to you.
