

Eliot D Hill

October 6, 1962 - August 28, 2024

Eliot D. Hill, age 61, passed away on August 28, 2024, in St. George, Utah. He was born on October 6, 1962, in Brigham City, Utah, at Cooley Memorial Hospital to Mary Ward and Farriel D. Hill.

Eliot grew up in Corinne, a small town in Box Elder County, Utah. He was the youngest of four brothers: Doral, Bruce, and Cordell. He often described his childhood as idyllic.

On June 13, 1986, Eliot married his dearest Linda Stettler in the Salt Lake City Temple. His sweetheart, Linda, was the love of his life, and together they raised four children in Southern Utah. Above all else, Eliot loved his children and grandchildren; they were his greatest joys.

Eliot's greatest passion, besides spending time with his family, was running – he was an avid runner. He also enjoyed reading, road cycling, and eating. He made the most out of life. Eliot worked many different jobs, but the one he found most fulfilling was working at a treatment center for troubled teens. He was deeply religious and a member of The Church of Jesus Christ of Latter-day Saints, with a strong belief in the gospel and that his family will be together for eternity.

Eliot is survived by his wife, Linda; his children: Marisa Robinson (Brian Robinson), Malcolm D. Hill, Kristelle Hendrickson (Cade Hendrickson), and Heidi Duffin (Orin Duffin); and his grandchildren: Rosalee, Emmalee, Harmony, Charity, Finn, Faith, Taz, and soon-to-arrive Stella. He is also survived by his brothers: Doral, Bruce, and Cordell.

He preceded in death by his parents, Mary Ward and Farriel D. Hill.

A celebration of his life will be held on October 5, 2024, from 11:00 AM to 1:00 PM at the LDS Chapel, 449 South 300 East, St. George, Utah, 84770.

“ *Eliot was our friend of 14 years. We met in the vending world and became fast friends outside of work. Eliot and Linda invited us on many adventures with them and we will miss spending time with both of them together. Eliot was a very giving person and always made us feel like we were the most important persons to him when we were together.*

Eliot we will miss you greatly. Rest in peace!

“ I wish you didn't have to leave us this way, but I understand the pain you were in felt unbearable. I find comfort knowing you're now free from the mental and physical suffering this life brought you. Please give our baby Stella girl some love from her grandpa before she joins us here.

One of my favorite memories with you, and a time when I felt closest to you, was when I helped coach you through a 16-week health and fitness challenge in 2019. When you set your mind to something, you would always push through, and I always admired you for that. That time reminds me of you at your best, and that's how I always want to remember you.

I love you, Daddy. Until we meet again. ❤️☐
